## MC INTRODUCTION

- Michelle Holland is a nationally recognised expert in culture, leadership and human behaviour. She founded and runs a boutique consultancy business called "Transforming Culture and Leadership". Michelle has:
  - - worked in the corporate world for over 15 years in senior professional roles.
  - - holds post-graduate qualifications, in business, human behaviour and transformation.
  - - in addition to her consultancy, she has co-founded a software company that helps creative people make money from their passions.
  - - she has trained and spoken in front of thousands of people across Australia.
  - -and is an author with books ranging from leadership to illustrated children's books.
  - Her recently released book, **Unleash the Slayer Within**, helps people to light the fire in their belly and have the life that they truly want.

- Please welcome Michelle Holland

"The expertise she brought to the event was invaluable to everyone in attendance!"

- **Doug Power, Event Manager IQPC**

"Our participants left Michelle's presentation with a renewed sense of energy."

- **Taryn Sexton CEO LG Professionals**
